Unemployment Insurance details:

Providing Unemployment Insurance benefits is DOL's number one priority and everyone who is entitled to UI benefits will receive them in a timely manner.

To that end we are implementing a new more efficient filing system based on the first letter of the applicants last name (alphabetical order). Here is the step-by-step process for filing;

A - F : Monday

G - N : Tuesday

O - Z : Wednesday

Missed your day : Thursday and Friday

Filing later in the week will not delay payments or affect the date of an individual's claim, since all claims are effective on the Monday of the week in which they are filed.

We are also extending filing hours as follows:

Monday through Thursday 8 am to 7:30 pm.

Friday 8:00 am to 6:00 pm.

Saturday 7:30 am to 8:00 pm.

We are experiencing an unprecedented increase in the volume of calls and web traffic for Unemployment Insurance claims. This massive surge created intermittent interruptions in service. Our team is continuing to fix the problem as we monitor the situation around the clock.

By Noon today, we received more than 21,000 calls - compared to the 2K in total last Tuesday and, 110K website visits, compared to 42K last Tuesday.
